Dear Neighbors,

As you know, there was a great deal of discussion at our Spring 2009 meeting regarding our landscaping services. Thanks to assistance from Reilly Burke, and the negotiating diligence of our president Kevin Meehan, we are very pleased to announce we have a new landscaping services provider that will be providing the same level of service as our previous provider for \$211.68 per month less. That will come to a yearly savings of \$2540!!!!

As a result, depending upon the contributions received for replacing the fence, we may actually be able to consider a reduction in dues for 2010!!!!

On the subject of replacing the fence, the news is not quite as positive. To date we have received only \$7000 from 12 members of the association. Two of the 4 members whose houses border Telephone Road have stepped up to give \$1000 each to demonstrate their desire to be good neighbors and to share more in the cost of replacing the fence. A third member of the four has also already donated their share to the cause. To all of you who have already donated you have our most sincere thanks for supporting the association and your neighborhood!

We are committed to replacing the fence this year if at all possible. Thus we are asking those of you who have not yet donated, to please do so by August 14th. If we do not receive enough donations to fully fund the replacement of the fence, we will dip into our reserves as much as we are able. If we still do not have enough funds, then we will be faced with making difficult choices about how much fence and where gets replaced, or having to have a mandatory assessment, or raise dues to make up the difference.

Based on the character of the individuals that make up our neighborhood I am sure that that will not be necessary and that you will step up and do your part to help out.

Sincerely,
Paul J Fischer
Secretary, Park Glenn Acres Homeowner's Association
