Section 2. The Association shall have two classes of voting membership:

Class A. Class A members shall be all the owners of lots with the exception of the Declarant. Class A members, when a class vote is required, shall vote as a class. Each Class A member shall be entitled to one vote for each lot in which it holds the interest required for membership by Section 1 of this Article IV. ## ARTICLE VI

### COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of Lien and Personal Obligation of Assessments. The Declarant, for each lot owned within the properties, and each owner of any lot by acceptance of a deed therefore, whether or not it shall be so expressed in any such deed or conveyance, is deemed to covenant and agree to pay to the Association: (1) annual assessments or charges; and (2) special assessment for capital improvements, such assessments to be fixed, and costs of collection thereof, as hereinafter provided, shall be a charge on the land and shall be a continuing lien upon the property against which any such assessment is made, paramount and superior to any homestead or any other exemption provided by law, from the date that notice of such lien is filed of record by the Declarant, the Association or any owner. Each such assessment, together with such interest, costs, and reasonable attorneys fees incurred in the collection thereof shall also be the personal obligation of the person who was the owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them, but, nevertheless, the lien above mentioned arising by reason of such assessment, shall continue to be a charge and lien upon the land as above provided.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety and welfare of the residents in the properties and in particular for the improvement, care, maintenance, and upkeep of Common Areas, including the cost of labor, equipment and materials relating thereto.

Section 3. Basis and Maximum of Annual Assessments. Until December 31, 1994, following the commencement date of assessments set forth in Article VI Section 6, the maximum annual assessment shall be as follows:

Class A Member	\$ 65.00	per year
Class B Member	\$ 25.00	per year

(Class B Member Assessments above mentioned shall not begin until year 1995)

From and after December 31, 1994, the maximum annual assessment may be increased each year not more than ten (10%) percent above the maximum assessment for the previous year without a vote of the membership.

From and after December 31, 1994, the maximum annual assessment may be increased above ten (10) percent provided, that any such increase as to any class shall have the assent of a majority of the members, of such class, pursuant to votes cast at a meeting duly called for this purpose, written notice of which, setting out the purpose of the meeting, shall be sent to all members not less than ten (10) nor more than sixty (60) days in advance of the meeting

After consideration of current costs and future needs of the Association, the Board of Directors may fix the annual assessment at an amount not in excess of the maximum herein provided.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year, for the purpose of defraying, whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of a described capital improvement upon the common area and common area fences, including the necessary fixtures and personal property related thereto; provided, that any such assessment as to any class shall have the assent of at least two-thirds (2/3) of the members of such class pursuant to votes cast at a meeting duly called for this purpose of the meeting, shall be sent to all members of such class not less than ten (10) or more than sixty (60) days in advance.

Section 5. Quorum for Meetings. At any meeting of the members of the Association, the presence at the meeting of members or written proxies entitled to cast a majority of all the votes of the membership shall constitute a quorum; provided, however, that if a quorum is not present at any meeting duly called, the members present, though less than a quorum, may give notice to all members as required herein for the transaction to be considered at an adjourned meeting, and at the adjourned meeting whatever members are present shall constitute a quorum.

Section 6. Commencement Date of Annual Assessments. **The annual assessments provided for herein shall commence and be due as to each lot on the first day of the calendar month following the date on which a living unit is completed thereon and occupancy permit issued. Provided however, unless coming under the preceeding terms, as to Declarant (Class B Member), assessments thereon shall not begin until the year beginning 1995.** Within ten (10) days after any Living Unit is initially occupied by any person, whether by lease or otherwise, the owner thereof shall furnish written notice of the commencement of such occupancy to the Association. The Board of Directors shall fix the amount of the annual assessment against each lot at least thirty (30) days in advance of each annual assessment. The Association shall, upon demand at any time, furnish to any owner liable for said assessment a certificate in writing signed by an officer of the Association, setting forth whether said assessment has been paid. Such certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid. A reasonable charge may be made by the Board for the issuance of these certificates.

Section 7. Effect of Non-Payment of Assessments and Remedies of the Association. Any assessments which are not paid when due shall become delinquent and shall, together with interest thereon from the due date of ten (10%) percent per annum, reasonable attorneys fees and costs of collection thereon become a continuing lien on the property which shall bind such property in the hands of the then owner, his heirs, devisees, personal representatives, successors and assigns. The Association may bring an action at law against the owner to recover the amount for which he may become liable and/or may foreclose the lien against the property. No owner may waive or otherwise escape liability for the assessment provided for herein by non-use of the common areas or abandonment of his lot.

Section 8. Subordination of Lien to Mortgage. The lien of the assessments provided for herein shall be subordinate to the lien of any real estate mortgage or mortgages, so long as the same is filed of record prior to any assessments becoming past due. Sale or transfer of any lot shall not affect the assessment lien. However, the sale or transfer of any lot which is subject to any mortgage, pursuant to a decree of foreclosure under such mortgage, shall extinguish the lien of such assessments as to payments thereof which became due after the filing of said mortgage being foreclosed, and during such foreclosure proceeding. No sale or transfer shall relieve such lot from liability for any assessments thereafter becoming due or from the lien thereof.

Section 9. Exempt Property. The following property, subject to this Declaration, shall be exempt from the assessments:

- a. All properties dedicated to and accepted by a local public authority; and
- b. The common areas.
